

DIRECTOR OF CENTRAL INTELLIGENCE
Science and Technology Advisory Panel

10 DEC 1981

MEMORANDUM FOR: Director of Scientific and Weapons Research

FROM : [redacted] Chairman,
Science and Technology Advisory Panel

SUBJECT : Letter of Appreciation

1. On 1 December 1981, a member of your staff, [redacted] presented a briefing to the DCI Science and Technology Advisory Panel (STAP) on Soviet Chemical Warfare. This was a wrapup of his findings from his recent trips to the Far East. The briefing was extremely well received by the panel. The topic is an important one that deserves as much emphasis as possible. Please pass on to [redacted] the sincere appreciation of the entire panel. We realize the effort that goes into preparing a presentation and want him to know that it is appreciated.

2. I would also like to express, again, my appreciation to you for the strong support and cooperation that you have given to STAP. I am looking forward to a long and continuing association. If I or the panel can be of assistance to you, please do not hesitate to call.
